

PET SITTING AND VISIT SERVICES IN THE HAMPSHIRE AREA

We offer to visit your pet in your home while you are away. This can be anything from a one-off visit if you go out for the day to a regular visit each day for the duration of your three-week summer holiday! We understand how stressful it can be for some animals to be moved into a boarding facility/cattery/kennels and aim to provide your pet with the same care they would normally receive from you.

PROVIDING YOUR PET WITH LOVE & INTERACTION

NOT JUST THE NECESSITIES!

What we offer...

- One or two visits per day to feed, water, clean, groom, play or whatever else your pet needs!
- House & pet sitting (we stay at your house)

Our staff

Our staff all hold an enhanced DBS check. We are fully insured as well as very knowledgeable and experienced. Most of all, we are absolutely animal-mad!
